

FPCC POOL Welcome Letter

May 17, 2025

Dear Forest Park Country Club Members and Pool Members,

Welcome to another exciting summer at the pool! I'm happy to be volunteering this season and look forward to seeing everyone enjoying the water, sunshine, and good company.

As a quick note, while I'm here to help keep things running smoothly, please understand that I'm volunteering in an informal capacity and not assuming any responsibility for the pool, its operations, maintenance, or members' safety. Everyone is ultimately responsible for their own actions and their children's supervision while at the pool.

We have five lifeguards to start the season. Bailey Sharp will be your head lifeguard. Many of you may remember Bailey as a past lifeguard. We are so happy to have her back with us, and are certain she will have the pool running smoothly this summer. Karlee Shively will be returning as Assistant Head Lifeguard. Karlee was a favorite lifeguard last summer. We are thrilled she is returning to the pool again this year! We have three new guards, Phaedra Keith, Michael Foley, and Camdyn Shelburne. Camdyn is Polly and Cephas' granddaughter.

The lifeguards are here to guard and keep the pool area safe, clean, and tidy. The guards will clean the bathhouses, pool deck, and take the trash out before they leave each day. With regards to the bathhouses, it is imperative that only toilet paper and not paper towels or feminine hygiene products are put into the toilets. There will be trashcans in each stall.

If you are at the pool after hours, please leave the pool area, chairs etc. the way the lifeguards have left it. Also, if you are at the pool after hours please take your trash out. In the past, there have been critters getting into the trash at night. The guards have many duties to complete each morning and night, let's not add to their work load.

Let's make this a safe and relaxing season for everyone. If you ever have questions or suggestions, feel free to reach out.

Beverly: 276-226-0529

Here's to a fantastic summer!

Warm regards,

Beverly Cecil
